PRODUCT CATALOGUE

Dear valued customers, we remain dedicated to impressing you with better product and service, aiming to create a beautiful living environment. Thank you for choosing Guanzhu Ceramics. Whether it's the perfectly fitting sizes or the stunning designs that drew you in, we hope our products continue to bring you delight and inspiration in your daily life.

DEVELOPMENT HISTORY

Rooted and rising, innovating and advancing.

Traverse through time and explore the illustrious journey of Guanzhu.

1993-2005

Brand establishment and image building

In 1993, Nanhai Mingzhu Decorative Tile Factory was established, marking the birth of Guanzhu.

In 2002, the Guanzhu Marketing Center was completed and put into operation.

In 2005, Guanzhu successfully entered the antique tile market with the launch of its porcelain antique tile brand.

2006-2008

Strategic planning and rapid expansion

In 2006, Guanzhu porcelain exterior wall tile was launched.

In 2007, the 'Guangdong Newpearl Ceramic Group' was officially upgraded to 'Newpearl Ceramic Group' by the State Administration for Industry and Commerce. That year also saw the commencement of the new materials production base in Lubu, Zhaoqing, Guangdong, and the foundation laying for the Jiangxi Newpearl Ceramic Production Base in Gao'an.

2009-2015

Pursuit of excellence and demonstration of strength

In 2010, the chairman of the group, Ye Delin, was honored as an Asian Games torchbearer and participated in the torch relay.

In 2011, Guanzhu launched the antique 'In-max inkjet' series products.

In 2015, Guanzhu was recognized as a preferred supplier for China's top 500 Real Estate Enterprises.

2016-2017

Philanthropy and steadfast progress

In 2016, Guanzhu embarked on its seventh charitable journey to Daliang Mountain.

In 2017, the Zhaoqing Lubu New Building Materials Production Base was built as a green and intelligent manufacturing facility.

In the same year, Guanzhu launched its independently developed 3200x1600x6mm MEGA ART · super large slab series.

2018-2019

Technology-driven innovation

In 2018, Guanzhu showcased at the China Ceramics Expo with the theme of "Green City · Art Plaza", exhibiting nearly a thousand square meters of high-end displays.

In the same year, the China Building Ceramic Industry Large Slab Research Center and Contemporary Ceramic Research Institute were established at Newpearl Ceramic Group's Lubu industrial base, and the Magician series with full body technology was successfully launched. In 2019, Guanzhu presented numerous flagship new products.

In 2019, Guanzhu participated in the Central Asia-Guangdong Commodity Fair.

2020-PRESENT

Brand advancement

In 2020, Guanzhu launched its brand elevation strategy, unveiling a new visual identity and five sensory showroom standard.

In 2021, Dilreba Dilmurat officially became Guanzhu's brand ambassador, and 'Little red tile' debuted became a brand IP. In the same year, the digital and intelligent demonstration factory was completed, and the 415.8-meter double-layer kiln for large slab was successfully went into production.

From 2022 to 2024, Guanzhu has been invited to join the "Brand Power Plan" of People's Daily for three consecutive years.

▲ Production Base in Foshan, Guangdong

▲ Production Base in Yichun, Jiangxi

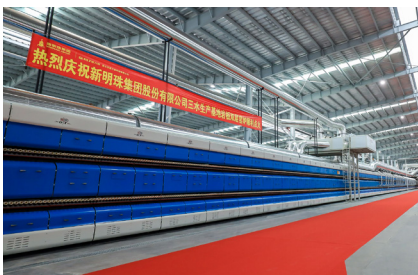

▲ Production base in Huanggang, Hubei

PRODUCT STRENGTH

Premium Materials for High-quality Tile

Guanzhu partners with renowned groups to source top-quality raw materials. We select excellent mineral deposits from across the country, ensuring the acquisition of first-rate minerals with superior performance.

Advanced Intelligent Production Equipment

Our facilities are equipped with heavy-duty presses ranging from 7,200 to 7,300 tons. This technology enhances product strength and density, allowing for unlimited extension of tile specifications from top to bottom.

Innovative technology for Superior Living

Significant investment has been made in the Newpearl Contemporary Ceramics Research Institute and China Building Sanitary Ceramics Industry Building Large Slab Research Center. Collaborations with the South China University of Technology drive cutting-edge R & D and design, leading new trends in product innovation.

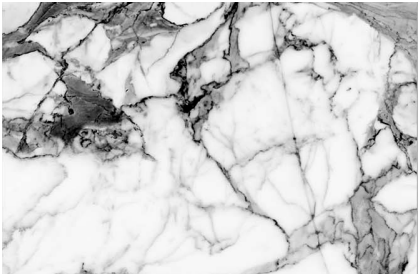

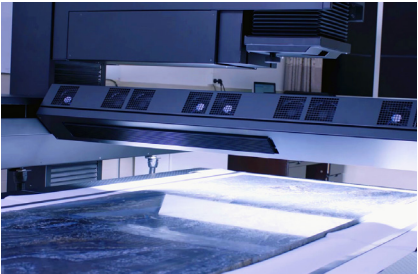

High-precision Color Matching for Premium Living Space

Through long-term strategic partnerships with well-known glaze suppliers and advanced multi-machine inkjet technology, we offer a wide range of glaze combinations including gloss, matt, soft, fine, coarse, and more, for richer textures.

High-definition Natural Texture Replication

Utilizing high-resolution CRUSE scanner with CCD sensors reaching billions of pixels, we meticulously reproduce natural textures, capturing the beauty of rare materials with reverence for nature.

Unique QR code for Anti-Counterfeiting and Traceability

Our anti-counterfeiting and traceability system features a smart app that allows users to scan QR codes for product information, ensuring transparency and building trust through attention to detail.

APPLICATION LANDMARK CASES

Application: Landmark Cases

In addition to common uses such as indoor flooring and wall decoration, Guanzhu big slabs are also widely applied in architectural facades, cabinets, countertop and custom bathroom solutions. They are highly favored in the high-end market, and have been used in several landmark buildings across the country.
